Parents Are Teachers, Too: Enriching Your Child's First ...

Claudia's approach is both practical and informative. She has created a book that is in reality, a reference for the first six years. The activities are easy to understand and perform. For most activities, the only materials needed are a parent, a child, some patience, some encouragement, some love, and some time.

PARENTS ARE TEACHERS TOO Enriching Your Child's First Six ...

After reading Parents Are Teachers, Too, I'm convinced that the first two chapters should be required reading for all parents. The author, Claudia Jones, touches on some of the most important aspects of being a parent. The roles of the parent as an educator, and the influence parents have on the development of their child's self-esteem.
